

LeMans 300 SERIES

INFINIUM[®]

Barrier-Free Examination Tables

LeMans 300

Unmatched in Ergonomics Function & Efficiency

Developed from years of research and feedback from hundreds of healthcare professionals, we have designed the LeMans Series to be the most usable and patient-friendly table in its class.

The LeMans 300 is **compact** but still offers features normally found only on more expensive tables with larger footprints.

- › Load capacity of 650 pounds
- › Ideal height adjustment from 19" to 39"
- › Integrated conforming leg rest
- › Seamless easy to clean upholstery options
- › Integrated retractable stirrups
- › Pass through rear drawer
- › Front storage drawer
- › Position memory settings

20 Special Order Upholstery Colors
